

NOT ALL Orton-Gillingham Courses are Created **EQUAL!**

Before you
invest
thousands of
dollars in
professional
development,
ask these
questions.

- *Has the training program been **fully accredited at all levels** and **been reviewed** by the IDA, IMSLEC, or the Academy of Orton-Gillingham Educators and Practitioners?*
- *Can the training program promise teachers **internationally** recognized certification rather than self-defined or University accreditation?*
- *Can the training program provide and stand behind its own comprehensive and copyrighted materials, written and designed by esteemed professionals?*

**When you choose BRAINSPRING,
the answer is YES!**
