BIOGRAPHICAL SKETCH:

In your own handwriting, please write a short autobiography in the space below. Include any experience or talent which will, in your estimation, contribute to your success in the position for which you are making application.

I certify the information in this application is true to the best of my knowledge. I authorize the North Central Ohio Educational Service Center (NCOESC), on behalf of the employing district, to conduct an appropriate reference check which may include former employer(s) as well as the Bureau of Criminal Identification and Investigation (BCII) and Federal Bureau of Investigation (FBI). I authorize NCOESC to perform such background investigations as required by law.

Ohio Revised Code (ORC) 3319.39 stipulates any applicant under final consideration for appointment or employment in a position with a board of education as a person "responsible for the care, custody, or control of a child," must submit to a criminal records check conducted by the Bureau of Criminal Identification and Investigation (BCII) and Federal Bureau of Investigation (FBI). The fee for the background investigation is to be paid by the applicant if considered a finalist for the position. Failure to comply will result in the disqualification of the applicant for employment consideration.

I understand and agree that if I am employed prior to the receipt of the BCII/FBI report and verification of my work experience, my continued employment will be contingent upon: 1) satisfactory work experience as verified by contacts with my former employers; and 2) receipt of a report demonstrating that I am in compliance with NCOESC Board of Governors and/or employing district rules and regulations (including BCII/FBI reports) regarding applicant/employee records.

If considered a finalist, I further understand and agree to complete a confidential personality indicator assessment, a general reasoning assessment and a motivational values questionnaire to be administered by NCOESC. The results of this assessment will be shared with the respective employing district.

I attest that the information contained in this application and in my resume is true and complete, and I understand that if it is not, I may be eliminated from consideration for this position. If, after being hired, falsehoods or omissions are discovered in my application or resume, I understand that my employment may be terminated. By affixing my signature, I agree to the conditions listed on this application and if employed, I will tender my resignation of employment should I fail to fulfill these conditions.
