Criminal Record

Pursuant to Ohio Revised Code (ORC) 3319.39, any applicant under final consideration for appointment or employment in a position with a board of education as a person “responsible for the care, custody, or control of a child,” must submit to a criminal records check conducted by the Bureau of Criminal Identification and Investigation. Except as provided by ORC 3319.39 (B)(1), no school district may hire a person for one of these positions if that person has been convicted of or plead guilty to certain offenses listed in Senate Bill 38, as reported by BCII. (Such offenses include: 1) any felony; 2) any drug offense that is not a minor misdemeanor; 3) any offense of violence; 4) any theft offense; 5) corruption of a minor; 6) sexual imposition; 7) importuning; 8) any substantively comparable offense of a municipal corporation.) Nor may a school district hire any person who refuses to submit to a criminal records check.

A school district is authorized to conditionally employ a person pending outcome of that person’s BCII/FBI background check(s). If the results of the background check(s) indicate that the person is not eligible for the position in which he or she is employed, the school district must release the person from employment.

Information obtained by a school board from a BCII/FBI background search is confidential and not subject to disclosure. If you are not employed by this school district, the background check information will be destroyed.

I certify that the information contained in this application and in my resume is true and complete. I understand that if it is not, I may be eliminated from consideration for this position. If, after being hired, falsehoods or omissions are discovered in my application or resume, I understand that my employment may be terminated.
