

TECHNOLOGY SUMMER CAMPS FOR STUDENTS ENTERING GRADES 3-8

928 W Market St, Tiffin, Ohio 44883

June 17, 2016 - Minecraft (\$25)

Our most popular camp the past two summers, Minecraft is one of the most popular games on earth! This camp will allow all the Minecrafters to come together and collaborate as well as conquer challenges that are given to them during the day. (This camp is for iOS, Android, Kindle, PC and Mac versions of Minecraft.) For PC/Mac users, students will need to already have a Minecraft account for the computer, available at <https://minecraft.net>

June 23-24, 2016 - iMovie Camp (\$40)

Do you like making movies on your iPad or mobile device? Do you like to take pictures and turn them into slideshow movies? This camp is just for you! We will learn how to create movies and trailers with iMovie on the iPad, including editing, special effects and uploading to YouTube so that the world can see your creations!

Camp Information:

- Camps will run from 8:30-3:00 each day, with a 30 minute lunch.
- Campers will provide their own lunch. The NCOESC will provide a snack during the day.
- Camps are designed and run by teachers and educational technologists at the NCOESC.
- Camps & activities are aligned to the Common Core and ISTE Technology Standards.
